How can you support your child?

- Moodle – maths – online lessons, games and homework.
- CGP Book – homework activities
- SPAG.com

  https://www.spag.com/
- Times Tables Rock Stars

Advice for parents:

- **Ensure your child gets lots of sleep** – especially the night before the tests.
- **Allow your child some time to rest up** – have a weekend off so they are relaxed and ready for their week ahead
- **No cramming** – unfortunately, this can lead to confusion.
- **Have a good breakfast** – this will ensure your child will have enough energy to focus each morning.
- **Come to school with water and healthy snacks** – hydration and energy will help your child concentrate.
- **No equipment needed** – we will provide your child with everything they need.

Key messages for the children:

- All of the children have been working incredibly hard and we are all *very proud* of them! They should be proud of themselves!

- This is 1 snapshot of them on one morning.
- Try your best – that's all you can do.

The next steps:

- **Results** the first week in July and will not be a numerical mark – letter sent home to them.

'NS' - expected standard not achieved)

'AS' - expected standard achieved

- **Walby Farm** trip on Friday 17th May – more information for parents will be available very soon.

If you have any more questions, please do ask and we will do our best to answer them.

On behalf of the Year 6 team, thank you for coming to see us, and thank you for your continued support.

Good luck to everyone involved! ☺
